TO WHOM IT MAY CONCERN

We are using the following products from Webgenic Technology Solutions (Pune, Maharashtra, India) :

1. SCANCRAFT BOOK SCANNER
2. WEBGENIC eLIBRARY PLUS SERVER SOFTWARE.

The above products are of a high quality and have helped us in digitizing old, valuable and rare documents in a simple and enduring way.

Apart from that, their service has been of a very high standard and prompt, either by assigning someone or by remote communication.

They have provided hands-on training and induction and guidance for problem solving at a very competent level.

Hence, we shall definitely recommend them to other users.
