## TO WHOMSOEVER IT MAY CONCERN

We, the Stud Book Authority of India, the registry for thoroughbred horses in India have records for over a century, which have and are being digitised with the Scancraft Book Scanner, procured from **Webgenic Technology Solutions, Pune**.

The services rendered by them are satisfactory and it would be a pleasure to recommend the firm to other institutions.

**Satish R Iyer**  
Kepper & Registrar  
Indian Stud Book
